"very unfortunate that this actually trivial change is not being implemented"

"almost year, the problem still exists. WTF?"

"WHAT IS WRONG WITH YOU PEOPLE? DO YOU EVER WRITE DOCUMENTATION FOR YOUR CODE? THIS IS UTTERLY RIDICULOUS"

Showing grace

I just wanted to say sorry for my rude language and aggressive communication in the Babel repository regarding the JSDoc issue. I understand that it's an Open Source project and I should not have conducted myself that way. The work that people involved in the project have done is outstanding and deserves respect.
